THE RED DRAGON WHO WILL SURVIVE?

All current Governments know about **"The Red Dragon"** and its approach to Earth every 3,600 years. Russia is the only country with underground cities for its citizens and they practice living underground when the government request testing for survival. China supposedly has "Ghost Cities", but there's no confirmation the Ghost Cities in China were built for the Passing of Nibiru.

In the USA, there are underground Cities, built for the Elite, Politian's, Scientists, and Military, with over fifty year food supply, water, electricity and all the comforts for life, for their survival. The survival of those unaware is in question, for those of us above ground. So the question remains, **"WHO WILL SURVIVE"?**

Let's take a quick look at the Truth About Nibiru

1. **Chilean Astronomer Carlos Munoz Ferrada**
